

IT'S A **JOL**

NEW
HAVAL JOLION PRO

IT'S JOL TIME

Meet the all-new Haval Jolion Pro — where bold design, advanced technology and pure driving confidence blend seamlessly. With sportier looks, refined performance, and a model range that includes petrol and HEV variants, the Jolion Pro is made to move you wherever your next JOL leads.

A POWER-PACKED JOL

Looking for a power-packed jol? The petrol range is powered by a 1.5T turbocharged engine, producing up to 130 kW and 270 Nm.

Step up to the HEV model for a combined output of 140 kW and 375 Nm of torque, blending electric efficiency with dynamic performance.

Every drive is finely tuned for comfort and control, with intelligent drivetrain systems that ensure a smooth, effortless drive.

Model dependent features mentioned. Please consult specifications section from page 16 - 21.

HEV DELIVERS A REMARKABLE COMBINED OUTPUT OF
140 kW & 375 Nm OF TORQUE

DESIGNED TO TURN HEADS

A sportier stance. Sleek lines. An unmistakable presence. The Jolion Pro commands attention with its sleek Black Edition styling, from blacked-out front grille to mirror covers and rims. Every detail works together to create a bold, confident look that's sure to announce your arrival.

IT'S ALL IN THE DETAILS

Glide through any journey with a quieter and more efficient drive. The Haval Jolion Pro features the latest 7DCT transmission in petrol models and an advanced DHT system in the hybrid, delivering smooth performance and smooth gear shifts wherever the road leads.

With dynamic steering modes and a thickened steering wheel, the Jolion Pro adapts to your driving style, adding to the sense of control and sophistication.

VISIONARY CONVENIENCE

Effortless charging for your cellphone awaits with a cutting-edge wireless charging pad quick, secure and designed for convenience.

PURE INTELLIGENCE IN MOTION

The innovative Head Up Display is pure intelligence in motion – enabling cutting-edge safety, with guidance on critical information clearly projected on the windscreen.

SEAMLESS INFOTAINMENT

Elevate driving experience and connectivity in the new Haval Jolion Pro, boasting a state-of-the-art 12.3-inch infotainment touchscreen with wireless Apple CarPlay® and Android Auto, and a premium 6-speaker sound system – perfect for when you need to turn up or turn down the Jol.

A SAFE SPACE TO JOL

LANE KEEPING TECHNOLOGY

This state-of-the-art driver system combines Lane Departure Warning, Lane Keep Assist and Lane Centre Keeping to prevent unintended lane drifting. It also assists with lane changes and alerts you to potential obstacles.

STAY ON COURSE

An immersive 360-degree camera system in the Jolion Pro utilises 4 high-definition cameras. In addition, Rear Collision Warning uses radar sensors to detect approaching vehicles when reversing, and warns of imminent collisions.

SMART CRUISE & BRAKING TECH

Drive smarter and modulate your speed automatically to ensure a safe following distance with Adaptive Cruise Control. The system also detects pedestrians and cyclists, automatically activating the brakes to prevent collisions through Autonomous Emergency Braking.
